The Real Presence of Christ

Communion is one of two Sacraments that we as United Methodist recognize: the other being Baptism. Communion exists for us all; therefore, all others are enriched by it, as we are fed and then go out and minister. Our whole being is nourished by it. It is precisely food, which explains why it is the one sacrament meant to be received daily or as often as possible. Without it, one petition in the Lord's Prayer - "Give us this day our daily bread" lacks the fullness of its meaning.

Every life is nourished by its own kind- the body by material food and the intellect by mental food. But the life we are now concerned with is Christ living in us; the only possible food for us is... Christ. What Our Lord was giving us was an union with Himself. "Whosoever shall eat this bread, or drink from this chalice of the Lord shall remember what our Lord did for us; and "By your Spirit make us one with Christ, one with each other, and one in ministry to all the world until Christ comes in final victory and we feast at His heavenly banquet."- A reminder, Communion is not only for each person's soul but for the unity of the Mystical Body. For the United Methodist, nothing could be simpler. Return to what He said, The bread is in remembrance not of the whole Christ, but of His body broken for us. The juice of the grape is not changed into the whole Christ, but of His blood shed for us, and for many for the forgiveness of Sin.

Christ lives; death has no more dominion over Him. The bread becomes His body, where His body is, there He is; the juice of the grape becomes His blood but is not thereby separated from His body, for that would mean death; where His blood is, He is. Where either body or blood is, there is Christ, body and blood, soul and divinity. That is the Real Presence of Christ.

This year as we enter 2021 remember Christ is life, His teachings, and the gift He gave to us; as we take eat, drink, and remember. We have been through quite a bit in 2020. But I hope and pray that we may have an opportunity to share in the body and blood of Christ this coming year. And when we do, we will be fed and then as we are nourished, we can go and serve as God calls us to serve.

See you on Sunday,

Misty
